

### 6-Hour WTTC Club Cup Rules

1. Members of the same bike club or team compete together in the 6-hour event with the goal of riding the most cumulative miles.
2. Each club/team must have a minimum of three members competing in the 6-hour event. There is no maximum number of members.
3. Each club/team member races in the solo category. Members do not need to be in the same age group or gender category, but do need to ride the same bike type. Racers registering with the same Club/Team name will be automatically entered into the Club Cup. No additional fees are required.
4. Club/team members do not need to ride the entire 6-hours to be considered in the final standings.
5. Drafting is not allowed.
6. The winner of the WTTC Club Cup will be determined by the highest cumulative mileage of the top three finishers of a given club/team. Individual racers are still eligible for overall podium and age-group awards.
